I'll be writing what it says for these as some people may struggle to read it ☺

JayFeather: "AlderHeart, are you in love with Velvet?"

AlderHeart: "N-N-No...?"

JayFeather: "Then why did I feel 'A + V' carved on a tree?"

AlderHeart: "It stands for 'Anxious and Vulnerable'"

Okay! Hi!
I won't be completing this book. I've fallen out of my Warriors phase now. I started the first memes book back when I was 13 and I'm now turning 18 later this year. It's been a fun time but this book along with all my others will more than likely not be updated any longer.
I hope this book was able to bring some sort of joy or positive emotion lol.
Thank you for all the support for this book and my others.
Please do check out my other three meme books if you enjoyed this one.
Stay safe and healthy, make sure to eat and drink if you haven't today, and reminder to take any medications if you need them
Take care of yourselves!
